

tail lights

Aaron Taos

Bad blood in the melody
Off key but I'm singing it high
Johnny ain't a remedy
But for now, ya he getting me by

Hey, can I bum a smoke?
Does anyone know a joke?

3 words you were telling me
3 words, had me thinking you're mine
Sweet dreams you were selling me
Bought em all living that lie

No, I don't wanna talk
I can't fall for this anymore

Don't say you will
Don't say you won't
Don't say anything at all
It's what you do
It's what you don't
It's a whatever life goes on
I'm tail lights, tail lights, tail lights
I'm tail lights, tail lights, tail lights

Bad blood is a memory
Head up and I'm holding it high
No salt in the recipe
So sweet, ain't no need to rewind

No, I don't wanna talk
I'm sick of singing the same old song

Don't say you will
Don't say you won't
Don't say anything at all
It's what you do
It's what you don't
It's a whatever life goes on
I'm tail lights, tail lights, tail lights
I'm tail lights, tail lights, tail lights

No, I don't wanna talk
I can't fall for this anymore

Don't say you will
Don't say you won't
Don't say anything at all
It's what you do
It's what you don't
It's a whatever life goes on
I'm tail lights, tail lights, tail lights
I'm tail lights, tail lights, tail lights
I'm tail lights, tail lights, tail lights
I'm tail lights, tail lights, tail lights
