

Dancing Around The Truth

Aaron Watson

Girl, it is what it is
It can't be what it's not
Yeah, we missed by a mile or more
But we gave it our best shot
I just don't wanna fight with you anymore
So let's fade away nice and slow
Easy come, easy go
Out on that ol' hardwood floor

One last dance, one last song
One last hold you right or wrong
Let's put off this heartache
One last waltz for old time's sake
Dim lights, thick smoke
Let's go for broke and don't water down that ninety proof
We'll say goodbye, come morning light
Tonight we're dancing around the truth

Though I've never been a loser
Nor the quitting kind
But someone has to take the fall
And I feel it's my turn this time
I've got my old leather bag sitting by the door
So let's fade away nice and slow
Easy come, easy go
Out on that ol' hardwood floor

One last dance, one last song
One last hold you right or wrong
Let's put off this heartache
One last waltz for old time's sake
Dim lights, thick smoke
Let's go for broke and don't water down that ninety proof
We'll say goodbye, come morning light
Tonight we're dancing around the truth

You can keep everything 'cause that don't mean a thing to me
Girl, I've only got one last request, just give me one more memory

For one last dance, one last song
One last hold you right or wrong
Let's put off this heartache
One last waltz for old time's sake
Dim lights, thick smoke
Let's go for broke and don't water down that ninety proof
We'll say goodbye, come morning light
Tonight we're dancing around the truth
Tonight we're dancing around the truth
