

Your Kinda Guy

Aaron Watson

Well, it's a radio playing my kinda country
Crack a cold one 'round a bonfire kinda night
A jump in, skinny dipping, Frio River kinda feeling
If that's your kinda good time, I'm your kinda guy
It's an old truck, red dirt kinda backroad
On a lazy summer Sunday kinda drive
It's a kissing on the tailgate in the moonlight kinda romance
If that's your kinda good time, I'm your kinda guy

Kinda guy looking for that kind of love
The kinda girl, kinda love dreams are made of
Kinda crazy, kinda drunk, kinda feeling high
Woah, I'm your kinda guy

Well, it's a porch swing, guitar picking kinda sunset
A kiss an angel good morning kinda sunrise
It's forever and ever and amen kinda loving
If that's your kinda good time, I'm your kinda guy

Kinda guy looking for that kind of love
The kinda girl, kinda love dreams are made of
Kinda crazy, kinda drunk, kinda feeling high
Woah, I'm your kinda guy

My kinda sweet, my kinda strong, my kinda frisky
Yeah, that's my cup of tea, that's my kinda brand of whiskey
It's the kinda kicking back when you've had that kinda week
Slow dance you to the bedroom kinda sweep you off your feet
It's the kind that makes you laugh when you're feeling like a joke
Like finding money in your pocket when you're feeling kinda broke
When you're feeling kinda low, it's the kind that makes you fly
If that's your kinda good time, I'm your kinda guy
Baby, I'm your kinda guy

Well, I'm the kinda guy looking for that kind of love
The kinda girl, kinda love dreams are made of
Kinda crazy, kinda drunk, kinda feeling high
Woah, I'm your kinda guy
The kinda guy looking for that kind of love
The kinda girl, kinda love dreams are made of
Kinda crazy, kinda drunk, kinda feeling high
Woah, I'm your kinda guy

Yes, ma'am
Yeah, I'm your kinda guy
