

Beautiful Scar

Aaron

into the streets of your mind
I get lost once in a while
crystal clear antagony
your soul is not the right for me
baby doll you're a porn soul
baby doll you're a porn soul

sexy beast upon my chest
dark angel sucked all the best
this is a brainwashing process
deep in my consciousness
and homeless soul
I'm your prom doll
homeless soul
I'm your prom doll

you made a few plans on your own
meanwhile I danced alone
even so we went too far
baby you're a beautiful scar

and baby doll you're a porn soul
homeless wall I'm your prom doll

is it still worth fighting,
is it still worth begging
know how heaven looks like
let's try hell it might be right

baby doll you're a porn soul
homeless wall I'm your prom doll
