

# Blow

Aaron

(2x)

You said you'd call  
And I beg you to do so

Maybe you don't wanna grow  
To find all the things  
To makes grown up cry  
You surely wanna stay too high

(2x)

You said you'd call  
And I beg you to do so

Maybe you don't wanna show  
That tears have drawn your dreams  
Just dive in your mind  
And find all the treasures inside

(2x)

You said you'd call  
And I beg you to do so

I cannot hang on any thought  
I'm falling from an endless boat  
I dive into the darkest sea  
And sharks are dancing around me (4x)

(2x)

You said you'd call  
And I beg you to do so
