

# Frequencies

Aaryan Shah

Just let me go  
Just let me go

It always comes in  
It always comes in waves  
It always comes in waves  
Just let me  
Find my way  
It always comes in waves  
It always comes in waves

Frequencies  
So low  
Feel you in my bones  
I'm so far from home

Frequencies  
My ears are gonna bleed  
I'm tired of your screams  
I just wanna breathe

Oh, just get out of mind  
No, stop telling me lies  
I don't know how much I can fight  
I don't know how long I'll survive

Voices in my mind  
Tell me to end my life  
I don't know who's on my side  
I don't know who's on my side

Frequencies  
Between you and me  
Between you and me  
Between you and me

Frequencies  
Between you and me

Frequencies  
Stop torturing me  
I'm terrified, please

Just get out of my mind  
Just get out of my mind  
It always comes in
