

They trying to tell me that aliens built the pyramids  
It's funny 'cause they probably did

Fuck I'm doing talking 'bout pineal glands  
Fuck I'm doing talking 'bout pineal glands  
Ancient ways of Sumerians  
Ain't nothing wrong with a righteous man  
Uh, this is my Anunnaki flow  
Oh, this be my Anunnaki flow  
Yo, I got that Anunnaki flow  
You are now on Planet X, I'm the God, show your respect  
HiiiPower

I'm the destroyer, and this is doomsday  
360,000 years since I made way  
Hey, I hate to be the one to warn ya  
Your government knew all along  
Guess they wasn't tryna spoil it for ya  
Boy oh boy, I'm hot to death, high as my magnetic field  
Theologists preach of me but they don't think I'm really real  
All my angels up in here, all my demons up in here  
I know who brought you in this world  
They will take you out of here  
The law of relativity's cute, I even sunk Atlantis too  
NASA on some bullshit, they always cropping out my crew  
(Yep) and they be loving the crew  
(Yep) yea they be loving the crew  
I know that you heard about me, bout me way way back in school  
Mayan calendars, you went to church, we all know Revelations  
You see Porsches  
Behold of pale horses galloping 'cross the nation  
Watch out for them Seven Seals, I'll be in the sky  
The Euphrates River's dry so you know it's real

No man knoweth the hour of my return  
It'll be like a thief in the night, make sure your people's alright  
That's right, the writing's on the wall  
They was only worried about Sodom 'cause they ain't have the balls to go aga  
inst the gods  
The only brown dwarf swaggin'  
Cross yo sun just like a dragon  
The Japanese know what's happening  
They was debating 'bout Kobe and LeBron  
The Bible or the Qur'an, they should've been taking cover  
They said I'm red but gold is my favorite color  
Witnesses agreed, they see me with wings when I hover  
Might even make your pole shift when I'm skipping through  
My orbit is a bitch on her menstrual  
They undermined the prophecy of Daniel  
That's a bummer, now I'm at your doorstep but not for sugar  
This that anunnaki flow, Enki and Enlil would love it  
Serious as the war in Syria, bitch [?]

Global warming's a lie, the moon is a satellite  
Holographic universe we enter to the light

"Back in the 1950's - most people weren't aware of it - but there was a scie

ntific storm in America all through the late '50's -  
about this thing out there in space - it's because the astronomers were all  
watching it,  
and that was back when they weren't afraid to talk about it..."

Ayo, just in case I get killed for this shit  
You got your heads up  
Make sure you tell 'em JMSN ain't have nothing to do with this shit  
God bless y'all  
Killuminati...all through my body  
Blows like a 12-gauge shotty

I told Punch I'd probably get assassinated by the government  
He probably think I'm sniffin' cocaine and some other shit
