

ALL NIGHT

AB6IX

I don't want any if you ain't there, yeah
Modeun chojeomeun it's you right there, yeah
Oneul bame stay up all night, hae, yeah
Ganjireoun lullaby wonhae (One, two, three)

Like it when you say, nae yeope isseo
'Til the sun goes up high (gaji mara, stay here all night)
Then I'll say this back again to you
Want it bad, bad too, babe, oh, no

We could be a lover forever long
Oraetdongan joahaetji nado
Kkumman gataseo geurae geuraeseo geurae
Naega hago sipeun mareun

All night, night, night
Can you stay up all night, night, night?
Geujeo geureon nauui daye (Can you stay up all night? Can you stay up all night?)
Soraneul piwojwo (Can you stay up all night? Can you stay up all night?)
Hey, all this time, time, time
Naeildo want you right, right, right
Right by my side, gateun maeire (Can you stay up all night? Can you stay up all night?)
Saegeul ipyeojwo (Can you stay up all night?)
Can you stay up all night?

Wonhaneun geol mwodeunji da malhae, baby, yeah
I could be a Camellia or some roses, baby, yeah
Any way you like, any kind of flavor that you want
Tell me, what do you want?

We could be a lover, forever long
Oraetdongan gidaryeotji nado
Kkumman gataseo geurae geuraeseo geurae
Naega hago sipeun mareun

All night, night, night
Can you stay up all night, night, night?
