Cherry burgundy that's what I mean
Your eyes so deep like atlantic
Umiwowataru kōkai-shi
And I will swim in ocean blue
With a cherry on top of cocktail blue

Oh you make me fall in love
Kono kanjō wa what is love
Zenshin ga hoteru yōna kankaku
Girl let's be chill let's be chill

And just for this just for this time
Imma bite you off your lips muah
