Open the door, this is jail lock
I'm trapped, feel it (I can feel it)
Yeah who am I again
Tell me tell me please
You got me on my knee

I am a withered daisy, no light to be seen
Becoming a flower that can't bloom anymore
Darkness takes me away from the light
Please come to me, you you yeah
Save me, you you yeah

Scars that didn't heal then
Come back to me again, you woo woo
Will there be an end in the long darkness

Lost my way, I'm a loser (loser)
Save me la la la la la la
Darkness is pressing me again

Anyway I'm just a loser loser
(I know it)
This is a maze of wandering, door to a long tunnel
At the end of that tightly locked hope
Though I struggle, not enough not enough
Yeah lost my way, I'm a loser loser
(I know it)

Yeah even if the world ignores me at some point
I have to go, I must go, the result is failure
Wandering every day, no way out
Don't leave behind (me)
There is no end to this road

Hope to despair, chaotic tragedy
Repeating realities ruin me more
Closed eden Paused melody
Find me you you yeah
Take me with you you yeah

Scars that didn't heal then
Come back to me again, you woo woo
Will there be an end in the long darkness

Lost my way, I'm a loser (loser)
Save me la la la la la la
Darkness is pressing me again
Anyway I'm just a loser loser
(I know it)
This is a maze of wandering, door to a long tunnel
At the end of that tightly locked hope
Though I struggle, not enough not enough
Yeah lost my way, I'm a loser loser
(I know it)

Or just pretend nothing ever happened
Ripped pieces of my heart are already useless
Yeah every day every night
Need you now
Fallin' down gettin' up
Startin' now

No more in pain
The cry for you reaches the sky
Yeah at the end of the maze, perhaps the exit waiting for me
Rather, I scream go

Yeah yeah
I'm a loser
Yeah I don't care I don't care uh
I'm a loser

Lost my way, I'm a loser (loser)
Save me la la la la la la
Darkness is pressing me again
Scared of everything, loser loser
(Not like it)
Cry of the soul asleep like a withered flower
Hope it will come as the light to wake me up
Now show me and open the door
Yeah lost my light, I'm a loser loser
(Not like it)
