Ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh  
They call me stupid

My mother used to call me beautiful  
One in a million, she said I shined even from far away  
But then, the me I was before is nowhere to be found  
In the mirror, I see myself bruised  
Now I'm bruised hard by the world, hurting but unable to show it  
I get through each day (barely made it through)  
I feel like I'm alone in my basement  
Being alone feels more comfortable now

If I become invisible  
Please don't come and look for me  
Having no one by my side  
Is what I'm used to

I feel like I'm a stupid, feel like I'm stupid  
I'm alone with my head hanging low (Hey)  
Everyone keeps saying, what's wrong with you?  
I barely know myself, so don't ask me why  
And every time I look deep into the mirror  
The face I see feels unfamiliar  
I'm clearly smiling, so why do my eyes fill with tears?  
Without knowing what's inside me, the sun rises again  
Damn stupid

Ayy  
I've closed and opened my eyes countless times  
Yet it still feels like I'm all alone in this world  
I'm on edge, I need space to breathe  
Someone, please pull me out  
With expressions and tone that aren't mine  
I end up in more arguments  
My steps grow slower and slower  
Feels like it's too late to turn back  
I don't wanna live like this anymore  
I don't want to feel cut off anymore  
I want to smile like you  
Just like how I used to be (I wanna go back)

If I become invisible

Please don't come and look for me  
Having no one by my side  
Is what I'm used to

I feel like I'm a stupid, feel like I'm stupid  
I'm alone with my head hanging low (Hey)  
Everyone keeps saying, what's wrong with you?  
I barely know myself, so don't ask me why (Oh)

Don't call me now, my phone's on mute  
I don't feel like doing anything  
Locked away in my room with only the dark  
I just want to coexist and breathe  
I'm afraid of that light (Oh, oh)

Oh, oh-oh, oh, oh, oh, oh (Hey, hey)  
Oh, oh-oh, oh, oh, oh, oh (Hey, hey)  
Oh, oh-oh, oh, oh, oh, oh (Hey, hey)  
Oh, Damn stupid (One, two, three, four)

I feel like I'm a stupid, feel like I'm stupid  
I'm alone with my head hanging low  
I'm clearly smiling, so why do my eyes fill with tears?  
Without knowing what's inside me, the sun rises again  
Damn stupid
