

## Mercy Kiss

## Abandoned Pools

I'm outta sight around the moon  
But I'll be back in time for you  
I know it's strange but are you big enough?

Ok, you know this isn't right  
I'm the bark that's to your bite  
But I can't wait till you see the light

So I, I do it all for you  
But I'm not asking for

You lead me on  
I don't need your mercy kiss

I'm in and out of astral planes  
The sliding doors I break the panes  
I know it's strange so are you brave enough

Alright, like a quarterback I score  
I'm the one they all adore  
But I can't find what I'm looking for

I don't need your  
I don't need it  
I don't need your mercy kiss
