

# Honey, Honey

ABBA

- G** **C**  
1. Honey honey, how you thrill me, ah-hah, honey honey.  
Honey honey, nearly kill me, ah-hah, honey honey.
- G** **E**  
I'd heard about you before,  
I wanted to know some more.
- G** **E** **C**  
And now I know what they mean, you're a love machine.
- D7**  
Oh, you make me dizzy.
2. Honey honey, let me feel it, ah-hah, honey honey.  
Honey honey, don't conceal it, ah-hah, honey honey.  
The way that you kiss goodnight,  
(The way that you kiss me goodnight)  
the way that you hold me tight.  
(The way that you're holding me tight)  
I feel like I wanna sing, when you do your thing.
- D** **G** **C** **E** **A**  
I don't wanna hurt you, baby, I don't wanna see you cry.
- D** **G** **C**  
So stay on the ground, girl, you better not get too high.
- G** **C** **F** **C** **Ais**  
But I'm gonna stick to you, boy, you'll never get rid of me.
- G** **Dis** **A**  
There's no other place in this world where I rather would be  
.
3. Honey honey, touch me, baby, ah-hah, honey honey.  
Honey honey, hold me, baby, ah-hah, honey honey.  
You look like a movie star,  
(You look like a movie star)  
But I know just who you are.  
(I know just who you are)  
And, honey, to say the least, you're a dog-gone beast.
- I don't wanna hurt you, baby...
