

## To War!

**Abbath**

Speed demon spread thy shanks wide  
Shower offense! Defile  
Citadel pure desire's vice  
Damnation nigh Behemoths feast  
Old bloodlines die  
Warrior caste feed raging beast  
Hear the roar of battle-horn. To War!

Dread Reavers rise from dismal mist  
Ghouls emerge - Catalyst  
Form jagged, spike - studded fist  
Lean years breed - a skeletal corps  
Deviant yield - Omnivore  
Tide devours craven shore  
To battlefield stream the swarm. To War!

Mephitic mob - torch the havens  
Chew the ribs of temple-maidens  
Blackened babes - hung on high  
Nourish the hawks circling sky  
Talons to flesh - a hook-beak strips  
Long pig to shreds - tongue from lips  
Wild Reavers pledge - their guts to pour  
Blizzard kin raise the skulls

Talisman shield - the sword our prophesy  
Grail Quest - benighted destiny  
War paths - must terminate in blood  
Pit erupt - spray ochre upon the mud

Plague Weavers spread Y-pestis far  
Thin armoured ranks  
Marauders close - Decimate guard  
Hammer blade on anvil forge  
Hel know our name  
Wade knee deep - in sod of gore  
Once more unto the breach. To War!
