

# Hate Me

Abbey Cone

Are you gonna see me out  
And act like I don't exist  
Do you even think about  
How weird it is that we don't kiss

I know  
It's over now, over now  
Don't know how I'ma get over you  
I won't  
It's over now, over now  
Don't know how I'ma get over you

If you don't love me I hope that you hate me  
Say we broke up 'cause you think that I'm crazy  
Take us back, tell me that you regret it  
But baby just don't you forget it  
If you talk shit then I hope it's about me  
'Cause at least boy you still talk about me  
And the truth is you feeling something  
Is better than you feeling nothing  
If you don't love me I hope that you hate me

Would you get teary-eyed  
If you saw me with some guy  
Would you start a fight  
Or would you just walk on by

I know  
It's over now, over now  
Don't know how I'ma get over you  
I'm wishing it would've lasted  
Can't act like it never happened

If you don't love me I hope that you hate me  
Say we broke up 'cause you think that I'm crazy  
Take us back, tell me that you regret it  
But baby just don't you forget it  
If you talk shit then I hope it's about me  
'Cause at least boy you still talk about me  
And the truth is you feeling something  
Is better than you feeling nothing  
If you don't love me I hope that you hate me  
If you don't love me I hope that you hate me

Yeah I know  
It's over now, over now  
Don't know how I'ma get over you  
I won't  
It's over now, over now  
Don't know how I'ma get over you

If you don't love me I hope that you hate me  
Say we broke up 'cause you think that I'm crazy  
Take us back, tell me that you regret it  
But baby just don't you forget it  
If you talk shit then I hope it's about me  
'Cause at least boy you still talk about me

And the truth is you feeling something  
Is better than you feeling nothing  
If you don't love me I hope that you hate me  
If you don't love me I hope that you hate me
