

## worst case scenario (worktape)

Abbey Cone

Worst case scenario, I move out of your house  
Call my mom, rent a truck, and a studio downtown  
Worst case scenario, I'll never be the same  
Start cryin' every single time somebody says your name  
Worst case scenario, we move to Pasadena  
Meet your wife and realize the grass was really greener

On nights like this, my therapist said  
"Make a list of the possible outcomes"  
And so here I am, cryin' in the bathroom  
Picturin' my life without you  
Wonderin' if that's somethin' I could even live through

Worst case scenario, I sleep with someone new  
He turns out the light, I close my eyes, and I pretend it's you  
Worst case scenario, I give up all my dreams  
'Cause every stupid song I was beddin' on was about you and me

On nights like this, my therapist said  
"Make a list of all the possible outcomes"  
So here I am, cryin' in the bathroom  
Picturin' my life without you  
Wonderin' if that's somethin' I could even live through

Mm-mm-mm-mm  
Mm-mm-mm-mm

Worst case scenario, we stay two years too long  
Now you're thirty-five and you hate your life  
And you blame me for it all  
So here I am, cryin' in the bathroom  
Picturin' my life without you  
Wonderin' if that's somethin' I'm gonna have to live through
