

## BREEZEBLOCKS

Abbey Glover

She may contain the urge to run away  
But hold her down with soggy clothes and breezeblocks  
Cetirizine, your fever's gripped me again  
Never kisses, all you ever send are fullstops  
Do you know where the wild things go?  
They go along to take your honey  
Break down, now weep, build up breakfast  
Now let's eat, my love, love, love

Muscle to muscle and toe to toe  
The fear has gripped me, but here I go  
My heart sinks as I jump up  
Your hand grips hand as my eyes shut  
And I, ah-ah-ah-aha  
Aah-ah-ah-ah, Aah-ah-ah-ah-aha-I

She bruises, coughs, she splutters pistol shots  
Hold her down with soggy clothes and breezeblocks  
She's morphine, queen of my vaccine  
My love, love, love

Muscle to muscle and toe to toe  
The fear has gripped me, but here I go  
My heart sinks as I jump up  
Your hand grips hand as my eyes shut  
And I, ah-ah-ah-aha  
Aah-ah-ah-ah, Aah-ah-ah-ah-aha-I

She may contain the urge to run away  
But hold her down with soggy clothes and breezeblocks  
Germolene, disinfect the scene, my love, love, love  
Please don't go, I love you so, my lovely

Please don't go, please don't go  
I love you so, I love you so  
Please don't go, please don't go  
I love you so, I love you so  
Please break my heart

Please don't go, I'll eat you whole  
I love you so, I love you so, I love you so  
Please don't go, I'll eat you whole  
I love you so, I love you so, I love you so  
Please don't go, I'll eat you whole  
I love you so, I love you so, I love you so  
Please don't go  
I love you so, I love you so, I love you so, I love you so  
Ohhho, ohhhhh, ohhh
