

# Drowning

Abbey Glover

You said, "I'm drowning, drowning, why aren't you helping me?"  
I said, "I'm drowning, drowning too, can't you see?"  
I said, "Why can't you just take my hand and float with me?"  
You said, "'Cause you're not worth it, really"

Oh it's never gonna work, never gonna work, never gonna work, n  
ever gonna work for us two, for us two  
And you want me to stick around, me to stick around, me to stic  
k around, me to stick around  
Tell me how?  
And if I did you know that we will both just  
Drown, drown, drown, drown  
Drown, drown, drown, drown

You said, "You don't hold me, don't hold me no more"  
I said, "'Cause I love you less than I did before"  
You said, "You've become so annoying, you've become such a bore  
"  
I said, "Then why don't you just pack your bags  
And walk right out the door"

Cause it's never gonna work, never gonna work, never gonna work  
, never gonna work for us two, for us two  
And you want me to stick around, me to stick around, me to stic  
k around  
Tell me how? Tell me how?  
And if I did you know that we will both just  
Drown, drown, drown, drown  
Drown, drown, drown, drown

We hate each other when the tide is low  
But when the tide is high  
The love comes rushing back in  
Full flow  
We hate each other when the tide is low  
But when the tide is high  
The love comes rushing back in  
Full flow

But it's never gonna work, never gonna work, never gonna work f  
or us two, for us two  
And you want me to stick around, me to stick around, me to stic  
k around, me to stick around  
Tell me how?  
And if I did you know that we will both just  
Drown, drown, drown, drown  
Drown, drown, drown, drown
