

Fragile

Abbey Glover

You can call me pretty if you want
It won't make any difference
If I don't it, I don't feel it
Even though I'll repley: No
It doesn't mean that I don't want to hear it

I'm fragile like a porcelain doll
Sometimes I cry for no reason at all
I'm just over emotional
But when I love
I love hard, love full
Will you take me for everything I am
And will be baby baby
I promise I'll always make you happy

Sticks and stones will always break my bones
And words will always hurt me
It doesn't matter though
Because you always treat me so so kindly

I'm fragile like a porcelain doll
Sometimes I cry for no reason at all
I'm just over emotional
But when I love
I love hard, love full
Will you take me for everything I am
And will be baby baby
I promise I'll always make you happy

I'm constantly craving your loving baby
I'm constantly craving your loving baby
I'm constantly craving your loving baby
I'm constantly craving your loving

I'm fragile like a porcelain doll
Sometimes I cry for no reason at all
I'm just over emotional
But when I love
I love hard, love full
Will you take me for everything I am
And will be baby baby
I promise I'll make you happy
