

# I'm So Sorry

Abbey Glover

I don't think I've ever felt this way  
Don't think I've ever been so lonely  
Since you've been gone  
I hope you're happier now  
Wonder if you ever think of me  
And if you do  
Is it about the good or bad  
Since you've been gone  
Are you happier now

And I'm so sorry  
For everything I've done  
I feel like a monster  
A bad person  
And the house feels so empty  
Since you've been gone  
You thought I was sunshine  
Turns out I'm thunder

Wanna leave but I don't know where to go  
And if I leave I don't wanna do it alone  
I need some sleep  
But I've been struggling  
They say the grass is greener on the other side  
And I've been trying to get there  
But I'm locked inside  
I need to leave  
Clear my head a bit

And I'm so sorry  
For everything I've done  
I feel like a monster  
A bad person  
And my house feels so empty  
Since you've been gone  
You thought I was sunshine  
Turns out I'm thunder

Please don't forget about me  
Remember at one point you cared about me, dear  
You cared about me, dear

Please don't, please don't forget about me  
Remember at one point you cared about me, dear  
You cared about me, dear

And I'm so sorry  
For everything I've done  
I feel like a monster  
A bad person  
And the house feels so empty  
Since you've been gone  
You thought I was sunshine  
Turns out I'm thunder
