

# Lonely

Abbey Glover

Hi Mr. Lonely, hi Mr. Lonely, you're my new best friend  
Do you have some company  
Do you have some company for me you could lend?  
I'm tired of hanging around myself  
I'd rather be hanging around anyone else

We all know lonely, we all know down  
We all have evenings where we want to talk and others where we  
want no one around  
If you could just sit with me a moment, not make a sound  
'Cause I don't really need to say anything out loud for you to  
know what I'm thinking about

What can I do to get a piece of your love?  
Maybe I'm not cool, maybe I'm not smart, not pretty enough?  
Can you mend my broken heart  
So I can start again

We all know lonely, we all know down  
We all have evenings where we want to talk and others where we  
want no one around  
If you could just sit with me a moment, not make a sound  
'Cause I don't really need to say anything out loud for you to  
know what I'm thinking about

I want you to notice me  
I want you  
I want you to know  
I want you, I want you so bad  
I want you to notice me  
I want you  
I want you to know  
I want you, I want you so bad  
I want you to notice me  
I want you  
I want you to know  
I want you, I want you so bad  
I want you to notice me  
I want you  
I want you to know  
I want you, I want you so bad

We all know lonely, we all know down  
We all have evenings where we want to talk and others where we  
want no one around  
If you could just sit with me a moment, not make a sound  
'Cause I don't really need to say anything out loud for you to  
know what I'm thinking about
