

# Please Don't Go

Abbey Glover

Is there something wrong with me?  
'Cause I can't seem to keep anyone or anything, anyone or anything  
Is it the way I walk? The way I talk?  
Or how I wish I could change the world?  
Is it silly of me, is it silly of me to dream?

Oh, I try to make everyone happy  
But what about  
What about me?  
Is it too much to ask  
Is it too much of a chore?  
For someone to stick around unlike everyone before  
Everyone before

Is it the way I dress?  
My need to impress?  
Or how I'm clearly drenched in loneliness?  
And I'm craving, craving something like this  
Do I feel too much?  
Tell me, do I feel too much?  
Are you suffocating under my love?  
I can't help it darling I can't help it with you

Oh, I try to make everyone happy  
But what about  
What about me?  
Is it too much to ask  
Is it too much of a chore?  
For someone to stick around unlike everyone before  
Everyone before

I'm begging don't go  
I'm begging you please stay  
Tell me what I've got to change  
And I'll do it, I'll do it for you  
Baby, please stay  
I'm begging don't go  
I'm begging you please stay  
Tell me what I've got to change  
And I'll do it, I'll do it for you

Oh, I try to make everyone happy  
But what about  
What about me?  
Is it too much to ask  
Is it too much of a chore?  
For someone to stick around unlike everyone before  
Everyone before
