

# She

Abbey Glover

She's real pretty, you know?  
And cruel at the same time  
'Cause she's too good for someone like me  
But she still claims to be mine, be mine  
Oh, she seems real smart too  
And she's sweet like honey  
But if she really was smart  
She wouldn't date a broken girl like me  
A broken girl like me

I let you down again, didn't I?  
I didn't mean it, I swear  
The faults never yours, always mine  
Never yours, always mine  
Oh, I think I've gone mad, dear  
I don't know what's going on in my head  
But it's such a mess  
Yeah, It's such a mess  
So stop wasting your time  
On a broken mind like mine  
Stop wasting your time  
On a broken mind like mine

She's also real funny  
She's cute and quirky  
And the only bad thing I could say about her is  
She likes someone like me  
She's fallen for someone like me  
She could be with anybody that she wants  
And she's chosen me  
And I'm trying to be better but I can't  
So what's the point in trying, trying?  
What's the point in trying, trying?

I let you down again, didn't I?  
I didn't mean it, I swear  
The faults never yours, always mine  
Never yours, always mine  
Oh, I think I've gone mad, dear  
I don't know what's going on in my head  
But it's such a mess  
Oh, It's such a mess  
So stop wasting your time  
On a broken mind like mine  
Stop wasting your time  
On a broken mind like mine

I'm sorry dear, I really am  
Leave now, come back when I'm better  
And be mine, be mine again  
I'm sorry dear, I really am  
Leave now, come back when I'm better  
And be mine, be mine again

I let you down again, didn't I?  
I didn't mean it, I swear  
The faults never yours, always mine

Never yours, always mine  
Oh, I think I've gone mad, dear  
I don't know what's going on in my head  
But it's such a mess  
Yeah, It's such a mess  
Oh, I let you down again, didn't I?  
I didn't mean it, I swear  
The faults never yours, always mine  
Never yours, always mine  
Oh, I think I've gone mad, dear  
I don't know what's going on in my head  
But it's such a mess  
Yeah, It's such a mess  
So stop wasting your time  
On a broken mind like mine  
Please, please, please stop wasting your time  
On a broken mind like mine
