

When The Party's Over

Abbey Glover

Hello everybody
So, I'm still ill
And not gonna lie, it's kind of bring me down
Because I can't sing how I would like to sing
Uh, so, I really wanted to cover this song
And I might possibly re-do it when I am better
But for the moment, I'm just gonna do it this way
The only thing that changes is I can't do the
On the end of each verse, the highest bit
So I've changed it up a little bit
And I go down
But yeah, I hope you still enjoy it
All the same

Don't you know I'm no good for you?
I've learned to lose you, can't afford to
Tore my shirt to stop you bleedin'
But nothin' ever stops you leavin'

Quiet when I'm coming home and I'm on my own
I could lie, say I like it like that, like it like that
I could lie, say I like it like that, like it like that

Don't you know too much already?
I'll only hurt you if you let me
Call me friend, but keep me closer
And I'll call you when the party's over

Quiet when I'm coming home and I'm on my own
And I could lie, say I like it like that, like it like that
Yeah, I could lie, say I like it like that, like it like that

But nothin' is better sometimes
Once we've both said our goodbyes
Let's just let it go
Let me let you go

Quiet when I'm coming home and I'm on my own
I could lie, say I like it like that, like it like that
I could lie, say I like it like that, like it like that
I could lie, say I like it like that, like it like that
