

# Daddy

Abby Anderson

Well daddy I came here today  
'Cause I think I might have found the one  
Oh yeah I'm head over heels in love and  
I bet I can tell you what you're thinking of

Yeah you're wondering  
How I know he's it  
Well my whole life  
I have a dad who showed me what a real man is

Cause daddy he loves me just like you do  
He treats me like a queen just like you, just like you do  
He's my shoulder to cry on, he's my best friend  
Oh and daddy, he loves me just like you

He respects and he respects me  
You always keep your word, you're always honest and so was he  
And just like you dad, he's forgiving and he knows my worth  
Knows me for who I am, he's everything you believe I deserve

Cause daddy he loves me just like you do  
He treats me like a queen just like you, just like you do  
He's my shoulder to cry on, he's my best friend  
Oh and daddy, he loves me just like you

I'm grown up now, daddy can't you see  
For all of your actions, you taught me everything I want my husband to be

Cause daddy he loves me just like you do  
He treats me like a queen just like you, just like you do  
He's my shoulder to cry on, he's my best friend  
Oh and daddy, he loves me just like you  
Oh and daddy, he loves me just like you  
Hmmm...  
Just like you
