

Lighthouse

Abby Anderson

Maybe you're happy now and
Maybe heading back to Texas was the right move for you
Hope that we can work it out
I'm trying my best to not let anger keep me from the truth

Mm, I wish we could go back
But it don't work like that

Yeah, I love you but love just ain't enough
I know I've let this go on far too long
Don't care now who's right or wrong
I'll miss you if that's how it has to be
Forgiveness is a lighthouse on the sea
Let it bring you back to me
Bring you back to me

I made some brand new friends and
Fell in love again, I'm married in October, I hope you're there
If you can leave the past behind
Well, I will too, I've always dreamed you'd put the flowers in
my hair

Mm, I wish we could go back
And maybe this time, could it work like that?

Yeah, I love you but love just ain't enough
I know I've let this go on far too long
Don't care now who's right or wrong
I'll miss you if that's how it has to be
Forgiveness is a lighthouse on the sea
Let it bring you back to me
Bring you back to me

Yeah, I love you but love just ain't enough
I know I've let this go on far too long
Don't care now who's right or wrong
I'll miss you if that's how it has to be
Forgiveness is a lighthouse on the sea
And I hope one day it can set you free
And bring you back to me
Bring you back to me
Mm-mm
