

## Theme From 'Mantrap'

ABC

If I were to say to you  
"Can you keep a secret?"  
Would you know just what to do  
Or where to keep it?  
Then I say "I love you"  
And foul the situation  
"Hey girl I thought we were  
The right combination"

Who broke my heart?  
You did, you did  
Bow to that target  
Blame Cupid, Blame Cupid  
You think you're smart  
Stupid, Stupid

Shoot that poison arrow to my heart  
Shoot that poison arrow  
Shoot that poison arrow to my heart  
Shoot that poison arrow

No rhythm in cymbals  
No tempo in drums  
Love on the horizon  
Lit by the sun  
Right on the target  
But wide of the mark  
What I thought was fire  
Was only a spark  
The sweetest melody  
Is an unheard refrain  
So lower your sights, boys  
Yeah but raise your aim  
But raise your aim raise your aim

Who broke my heart?  
You did, you did  
Bow to that target  
Blame Cupid, Blame Cupid  
You think you're smart  
Stupid, Stupid

Shoot that poison arrow to my heart  
Shoot that poison arrow  
Shoot that poison arrow to my heart  
Shoot that poison arrow

Sticks and stones  
May break my bones  
But words they almost killed me  
You changed your mind  
Now you change mine  
You know you'll always thrill me

Shoot that poison arrow to my heart  
Shoot that poison arrow  
Shoot that poison arrow to my heart

Shoot that poison arrow  
Shoot
