

# Filthy Rich

Abe Parker

I just bought a Jeep run down  
I don't cry until what has happened now  
I've been craving you but now you're found  
Oh you and I  
You've got me thinking about kids  
You don't understand how rare that is  
I'm okay with getting old and ugly if it's you and I

Oh you and I  
Oh you and I  
Oh you and I  
Oh you and I

When you took my hand I took a little ibuprofen  
I never knew it hurt so good, to swallow my pride  
And I want somebody, wanted to keep my heart stretch open wide, yeah

Baby I'm rich  
Baby I'm filthy rich  
When I got you by my side  
There nothing money could buy, oh

Baby we're rich  
Baby we're rich

You're so beautiful I wanna die  
Don't deserve you looking in my eyes  
I'll rather bleed than to see you cry, about you and I  
I'll hold your head when you get sick  
Argue with you all night if  
That's what it takes to make amends with you and I

When you took my hand I took a little ibuprofen  
I never knew it hurt so good to swallow my pride  
And I want somebody, wanted to keep my heart stretched open wide  
Wide

Baby I'm rich  
Baby I'm filthy rich

When I got you by my side  
There's nothing money could buy

Because baby I'm rich  
Baby I'm filthy rich  
When I got you by my side  
And there's nothing money could buy oh

Baby we're rich  
And baby I'm rich  
Baby I'm filthy rich  
When I got you by my side  
There's nothing money could buy
