Abe Parker

Oh, yeah I'ma send that

Joy to the world  
The Lord has come  
Joy to the world, to the world, yeah  
And tell all the earth of God's own Son  
Joy to the world, to the world  
Yessir, uh-huh  
Joy to the world

I ain't tryna throw no shade  
But its like joy's on slow-mo  
Good news, I can't tell where you at (Huh?)  
Looking to the heavens tryna yell where you at (Where you at?)  
Why pain gotta chain us? (Huh?)  
Will the unjust ever have to pay up?  
Yeah, joy comes if we wait up (Wait)  
Even came in the flesh long ago to obtain us (Yeah)  
Gon' send it my way (My way)  
On ten 'cause He been in my gaze (My gaze)  
Can't live like I'm still in my grave (My grave)  
Lights dim when I'm feeling blasé (Okay)  
Now me and my squad just gonna feast on the bliss He brought us (Yeah)  
Why wait for tomorrow? (Huh?)  
Joy came and He called us (Yeah)  
I'ma send that

Joy to the world  
The Lord has come  
Joy to the world, to the world, yeah  
And tell all the earth of God's own Son  
Joy to the world, to the world

I'ma send that  
Gon' send it out my way  
I'ma send that  
Gon' send it out my way  
I'ma send that  
Please send it out my way (Joy)  
I'ma send that  
Joy to the world

Joy to the world, joy to my baby girl  
'Cause the King love us more than we deserve, yeah  
I'ma have to spread the word, good news for the hood  
Dudes tryna make it work, yeah  
Joy to the world, yeah  
To the little boys and the girls, yeah  
For the bright days and the dark nights, we'll be alright  
God gon' keep His word, yeah  
I know that things gon' change now, the King done come  
May His will be done and His kingdom come, amen  
Huh, if you believe me you can say amen, yeah, yeah  
I know that life been hard but it's over now  
And the sun done shown on my soul somehow, amen  
I hear the whole world say amen, yeah  
I'ma send that

Joy to the world  
The Lord has come  
Joy to the world, to the world, yeah  
And tell all the earth of God's own Son  
Joy to the world, to the world

I'ma send that  
Gon' send it out my way  
I'ma send that  
Gon' send it out my way  
I'ma send that
