

Stupid Face

Abe Parker

Hey, miss your stupid face
Get back to my place I need you
It hurts so much to wait
Don't care what it takes
I'll pay for the plane whatever
I can't do this today

Do you think of me
Every time you breathe in?
Do you fall apart
To your own heart's beating?
Do you cancel plans
Every single weekend?
'Cause you don't wanna miss if I call, hmm

Tell me if it's normal to be needing you this way

Hey, miss your stupid face
Get back to my place I need you
It hurts so bad to wait
I don't care what it takes
I'll pay for the plane whatever
I can't do this today

Woah woah woah

Do you wanna cry
Every time you're happy?
'Cause you know that I
Would've wanted to be
Right there by your side
Oh, maybe I'm just crazy
Thinking you could save me
Show up in my bed when I roll over and now

Sorry I know at your time it's probably pretty late
Oh just wanna say

Hey, miss your stupid face
Get back to my place I need you
It hurts so bad to wait
I don't care what it takes
I'll pay for the plane whatever
I can't do this today

Woah woah woah
Woah woah woah
