

Talk

Abe Parker

Can't we just talk? Can't we just talk?
Talk about where we're goin'
Before we get lost, lend me your thoughts
Can't get what we want without knowin'
I've never felt like this before
I apologize if I'm movin' too far
Can't we just talk? Can't we just talk?
Figure out where we're goin'
Hold on

Started off right
I can see it in your eyes
I can tell that you're wantin' more
What's been on your mind?
There's no reason we should hide
Tell me somethin' I ain't heard before

And I'm dreamin' 'bout it
And it's you I'm on
So stop thinkin' 'bout it

Can't we just talk? Can't we just talk?
Talk about where we're goin'
'Fore we get lost, lend me your thoughts
Can't get what we want without knowin'
I've never felt like this before
I apologize if I'm movin' too far
But can't we just talk? Can't we just talk?
Figure out where we're goin'

Oh, nah
Penthouse view, left some flowers in the room
I'll make sure I leave the door unlocked
Now I'm on the way, I swear I won't be late
Yeah, I'll be there 'bout five o'clock

You're dreamin' 'bout it
And I'm what you want
So stop thinkin' 'bout it

Can't we just talk? Can't we just talk?
Figure out where we're goin'
Before we get lost, lend me your thoughts
Can't get what we want without knowin'
I've never felt like this before
I apologize if I'm movin' too far
But can't we just talk? Can't we just talk?
Figure out where we're goin'
Can't we just talk? Can't we just talk?
Figure out where we're goin'
Before we get lost, lend me your thoughts
Can't get what we want without knowin'
I've never felt like this before
I apologize if I'm movin' too far
But can't we just talk? Can't we just talk?
Figure out where we're goin'
