

You wanna kill me, dog, go 'head, do it and push me  
They told me to find God, I feel him when I'm in pussy  
Fuckin' my woman raw and toss the rubber like Luffy  
I will not sugarcoat and package it like a cookie

Nah, baby, make me a star  
Void I'm fillin' with garbage, hopin' it's pullin' hearts  
I know the reaper's at large  
Standin' beside the boy in the corner  
Pointin' his finger and wavin' it at the clock, what's up?

You're such a collider, you'll crash standin' still  
Every run-in is a jog up the hill  
I find it sickenin' to walk on your shells  
But I'm a survivor

Shit, I been 'bout that business  
I've been sittin' in some mental illness with no damn prescription  
When I say I-I-I-I go crazy, I don't mean my writtens  
I mean, I've been dancin' on the tightrope and my balance slippin'  
Spent my whole life half a man and been callin' these women bitches  
Thinkin' I was different, but for some pussy, I'd travel distance  
I-I-I-I never loved myself, I never let myself love myself, anyways  
Who's fuckin' with the new shit? (Yeah)  
Crickets in the booth, shit (Yeah, yeah)  
Yeah, I know you love me 'til the truth hits (Uh)  
Tryna think where you fit  
Shit, you fit  
You can come fit on this dick

Nah, baby, make me a star  
Void I'm fillin' with garbage, hopin' it's pullin' hearts  
I know the reaper's at large  
Standin' beside the boy in the corner  
Pointin' his finger and wavin' it at the clock, what's up?

You're such a collider, you'll crash standin' still
