

Do Not Destroy

Abhi the Nomad

If I'm so bulletproof
Tell me why it hurts
You're always after something
You know I don't deserve
I'm taking off my clothes
Please don't, please don't

Do not destroy me
You wanna kick when I'm down
Do you enjoy it
When I am flat on the ground
That's disappointing
I'm taking off my clothes

I told you my darkest problems
Delivered all my thoughts and signed it
You got me real fucked up about it
I'm taking off my clothes

If I'm so bulletproof
Tell me why it hurts
You're always up to something
You know I don't deserve
I'm taking off my clothes
Please don't, please don't

Do not destroy me
You wanna kick when I'm down
Do you enjoy it
When I am flat on the ground
That's disappointing
I'm taking off my clothes

Do not destroy me
Do not destroy me now
Been up for 40
Been up for 40 hours
The way she wouldn't wanna play me oh
Had a frequency for radio
Do not destroy me
Do not

Now this could be a teachable moment
You know I got all the heat and you the type to control
Picking at your teeth, your last meal a hypebeast
5'3 king, supreme piling up in the corner
You know what you're doing when you looking at me
Hey hey baby I'ma do what you please
I been at attention like two or three days
So mercy, mercy, mercy, mercy me

If I'm so bulletproof
Tell me why it hurts
You're always up to something
You know I don't deserve
I'm taking off my clothes
Please don't, please don't

Do not destroy me
You wanna kick when I'm down
Do you enjoy it
When I am flat on the ground
That's disappointing
I'm taking off my clothes

Do not destroy me
Do not destroy me now
Been up for 40
Been up for 40 hours
The way she wouldn't wanna play me oh
Had a frequency for radio
Do not destroy me
Do not
