

Love Doesn't Bite

Abhi the Nomad

Love doesn't bite, it takes a toll
Noose on your neck, it grabs a hold
I pay a fine, you pay no mind
Why won't you get
G-g-g-get out my mind

Love doesn't bite
I'll fix it with time
But these walls are built up high
She's guilty of crimes
And locked in my mind
So she can't get out my sight

Love doesn't bite, it takes a toll
And patience is time, well shit then I'm out of time
I hung up the line, girl you're way out of line
Why won't you get
G-g-g-get it right

It's been ninety nine days, uuuh
Left me hanging with a sweet and sour flavor
Oh yeah, yeah you want me to lie
And say that I'm fine
But I'm not okay
Why won't you get, get, get
G-g-g-g-get out my mind

Love doesn't bite
I'll fix it with time
But these walls are built up high
She's guilty of crimes
And locked in my mind
So she can't get out my sight
She can get out my sight
She can get out my sight

So I'm trying to get better at recognizing that
The universe loves me in return
Uniquely and individually and also collectively
It loves us 'cause we're all connected
