

## Mexico

Abhi the Nomad

I'm gonna go to Mexico and leave everyone behind  
I need a new vacation  
If you want to let me know we can meet before I leave  
I'm at the train station

Yeah

All my bags are packed to go  
Give me one more reason to stay  
I'll be waiting

They say the outside world is magical  
And I can't wait to get away  
No hesitation

Yeah, well I can't wait no more

Cause no matter how hard I try to stay  
You always maintain the same display  
It's all the he-say she-say of the day  
And I don't really got time to waste

I'm stuffing a Duffle Bag a T-Shirts  
And some dishes in a room  
I ordered my ticket for birthday  
Send yo wishes in a zoom  
And if you ask me one more time biiiiiitch  
I'm visiting Tulum  
Cuz all these bad bitches take they pictures in Tulum  
So tell them that San Miguel de Cozumel es donde mi quedo  
Y tengo el cable y comida gratis, so como estas "you don't know  
spanish"  
I know sombrero, con bravo y mi carro es lavado  
And what's that lady name from El Dorado? Her too  
I caught the fertile bird flu, so now I don't do Purdue  
My circle surf through work commercial, I just pursue perfume  
I know my limits, my lineage, and life ain't give me lemons  
So stamp this passport  
And mind your business
