Abhi the Nomad

Most nights I snack on pieces of toast  
I don't talk to anybody but my grandfather's ghost  
I mean its times like these that I love me the most  
When I try to crack a smile without a drink and a toast  
Wash them dishes then I'm folding my clothes  
We ain't had nothing back when I pretended I wasn't cold  
I mean its times like these you make 'em love me the most  
Take that pain and let it drip onto the stage at the show, yeah

Who I am is not what I wear  
I'm grounded  
I think I'll hold myself up for something bigger  
Where I stand is not what I stand for  
I'm founded  
I think I hold those values in front of triggers  
Cause I  
I got the mindset  
I got the mindset  
I got the mindset  
I got the mindset

Ay, now I'm snatching pieces of gold  
I ain't goin' broke not one day see what the future will hold  
I guess its times like these that make me shrug and be bold  
Might get a new Lamborghini just say fuck it and roll, yeah  
Life's getting pretty stale as it goes  
I fill that lonely feeling up with pretty women and smoke  
I guess its times like these I realize that I'm old  
We take that pain, then I sniff it through a hole in the nose y  
eah

Who I am is not who I was  
I'm silent  
I never held myself up for something bigger  
Where I stand in front of a mirror, crying  
I just tell myself that I should pull the trigger cause  
Cause I, I, I  
I got the mindset  
I got the mindset  
And I, I, I  
I got the mindset  
I got the mindset
