

# Phantom Feelings

Abigail Barlow

I hope I don't see ya  
Cause I can't, I can't break my heart again  
No, I don't need ya  
Take that ass back, I won't be ya friend  
Worse than a cheater  
You call me yours then ghosted me for no reason  
Give me your reasons  
I don't even know if I still miss you  
Or I, I just can't be alone

Phantom feelings  
Cause I don't get to call you mine no more  
You're a stranger to me  
You're the one I used to love the most

I, I feel ya  
I still want your body  
I can't stand ya  
Still want your body on me  
I, I feel ya  
I still want your body  
I can't stand ya  
Still want your body on me

Hate that I still feel ya  
Touchin' on me like you never left  
Catchin' my tear drops  
Countin' every time you made a mess  
And lied to me and baby I believed  
It made me crazy  
You love a tragedy  
I don't even know if I still want you  
Or I, I just can't be alone

Phantom feelings  
Cause I don't get to call you mine no more  
You're a stranger to me  
You're the one I used to love the most

I, I feel ya  
I still want your body  
I can't stand ya  
Still want your body on me  
I, I feel ya  
I still want your body  
I can't stand ya  
Still want your body on me

Hauntin' me, yeah you're hauntin'  
Hauntin' me  
Hauntin' me  
Hauntin' me

I, I feel ya  
I still want your body  
I can't stand ya  
Still want your body on me

I, I feel ya  
I still want your body  
I can't stand ya  
Still want your body on me
