Trust Issues

Abigail Barlow

Moved to L.A. at 18
Had nothing in my pocket but a dream
I was freshfaced and naive
Didn't take you very long to take advantage of me

My heart, I let you take it
You promised not to break it
But you did
Now I don't know what to do, know what to do

Now I got trust issues, oh
Because of you
Now I got trust issues, oh
Somebody new
Could be the one, I know it
Or be the one to blow it
'Cause now I got trust issues
I shouldn't have trusted you, you, you
I shouldn't have trusted you, you, you

Moved to L.A in my peak
When we met, swept me off of my feet
We were cliché, but so sweet
Didn't take you very long to turn 180 degrees

My confidence was shaken
You promised not to break it
But you did
Now I don't know what to do, know what to do (Ooh)

'Cause now I got trust issues, oh
Because of you
Now I got trust issues, oh
Somebody new (Somebody new)
Could be the one, I know it (Ooh)
Or be the one to blow it (Be the one to blow)
'Cause now I got trust issues (Issues)
I shouldn't have trusted you, you, you (Shouldn't have trusted you)
I shouldn't have trusted you, you, you

And you should be telling I'm finally healing
That I'm tryna catch some feelings
I don't wanna have trouble sleeping
(But now I got trust issues) Mmm
Wish I could feel what's fake and
Have love reciprocated
But after boys I've dated (Hm)
I'm jaded, mm
(Oooooh)

Now I got trust issues, oh
Because of you (You)
Now I got trust issues, oh
Somebody new (Neeew)
Could be the one, I know it
Or be the one to blow it (Be the one to blow it)
'Cause now I got trust issues

I shouldn't have trusted you, you, you (Trusted youuu)
I shouldn't have trusted you, you, you (Youuuu)

Could be the one, I know it
Or be the one to blow it
'Cause now I got trust issues
I shouldn't have trusted you, you, you
