

Worker Bee

Abigail Barlow

I guess I have to find a lady
Whistledown's her name, I'll
Do it for the queen, she
Doesn't think I'm Eloise
I'm not just Eloise
I'm an official worker bee!

And I'll do it for the queen
I'll do it for the queen
She doesn't think I'm Eloise!
I'm not just Eloise!
I'm an official worker bee

And I'll do it for the queen
