## It Ain't Easy

## **Abigail Washburn**

I know, I know, I know you I know you know you know me too

So, when the sun went down And I lost your eyes I prayed to God let the light Shine off you again It ain't easy leavin' you

Without a sound I remove your crown Your green dress glows As the stars go round I pray to God let the darkness Cheat the dawning light

Musical interlude

So, when the sun went down And I lost your eyes I prayed to God let the light Shine off you again It ain't easy leavin you

I know, I know, I know you I know you know you know me too
