Nobody's Fault But Mine

Abigail Washburn

```
Nobody's fault but mine
Nobody's fault but mine
If I die and my soul be lost
nobody's fault but mine

I had a mother who could pray
I had a mother who could pray
If I die and my soul be lost
nobody's fault but mine

I had a mother who could sing
I had a mother who could sing
If I die and my soul be lost
nobody's fault but mine

Nobody's fault but mine
If I die and my soul be lost
If I die and my soul be lost
nobody's fault but mine
```
