

# The Final Failure

Abigail Williams

Dimensions of infinity  
Dreamers beg futility  
A ride that lasts a lifetime  
Wash away the blood  
Rape the cosmos. Death rising

No sunrise to come and the land glows black  
Thirsting for triumph

Wasted reality  
No strength left for triumph  
Bleeding out on wintry grounds  
Lost in the night. A stillness creeps over the body

Oh I worship thee upon hands and knees  
Bleeding out across the sky

Burnt symbols  
Immortal sounds  
Taken slowly  
One lifetime is never enough

Living life in regret. Misunderstood  
Escape the calamities of existence  
Travel the realm of unborn thoughts
