

# Blinded by Demons

Abigail

A million thoughts  
A thousand days  
I searched for a new way  
A million fears,  
A thousand nights  
To get to understand  
A million sins,  
A thousand prayers  
Why I have lost my soul  
A million visions  
A thousand words  
I need to find myself

Get to know me,  
I've been blinded by my fears  
Get to know you,  
I couldn't understand your words  
You gave me riddles,  
I was tired of guessing why  
Go away now,  
I don't need you anymore
