

Shadowlord

Abigor

Running but an end is not in sight Trying to escape the claws o
f god
Lights are hunting me to take my life Inquisition tries to make
me
Burn Flames burnt high I have seen my brothers die
Revenge guides my way All their churches burn one day But I pro
mise
That I'll sin again And no fire makes me turning white I give m
y
Life for you the only one Lord of Shadows, this is for you
The circles shined bright in these lost days We danced naked un
der
The fullmoon And become one with the demon of war We drank bloo
d and
Cried in lust Shadowlord... The forest offered grimly shelter N
octus
! Esus ! Boreas ! Zephyrus ! Hectate offered us deep ecstasy
