

Funereal Malediction

Aborted

Welcome to my ceremony
Malformed, destroyed, rotten, spoilt

Enter my daily desecration
A putrid pile of contamination
Dead meat, a luscious feast
Worship, adore, rotten, spoilt

A lover at best, with great cum-passion for giving head
Oh, sweet fragrance of the dead
A sacrilege at last, an altar of decaying flesh
Sanguine cavity bereft

Enter my daily excoriation
A relationship with acrimony
Dead meat, a rotting heap

Welcome to my ceremony of habitual rape

Funereal malediction
A bless, a curse, a bitter temptation
A malodorous feast of gangrene and viscera
Pushing my meat pole in a sweet rotting hole
Funereal malediction
Gangrene and pus adorn my cock
Thriving my thrust and erection
Funereal malediction

A lover at best, with great cum-passion for giving head
Oh, sweet fragrance of the dead
A sacrilege at last, an altar of decaying flesh
Sanguine cavity bereft

Cadaver love - bathing in grime an organic sewer
Cadaver love - purulent yet vital for my survival
Cadaver love - the intoxicating stench of the dead
Cadaver rot - viscera and bile, lubricating my smile

With great amusement I dwell with the dead
The scent of dead meat a breath of fresh air
Intoxicated by caskets and the love-cicles within
I am the purest cardinal sin
