

Generic Murder Concept

Aborted

Childhood nightmare adolescent despair
Mentally enslaved to the murderous thoughts i crave
Lunacy leads me astray
Gradually discovering a new dimension of decay

Adultery feeds the ideology
Seeing deceased people in my fantasy
I descry my killing capacities inside
Reveries enshrine what i must abide

Time is drawing nearer to put blood to the word
No motives required first come first served
Follow the path to my heinous empire
Object of a misanthropic desire

Cerebral short circuit
Murder, the only way to deal with it
Sanguine addiction
Homicidal theory without restriction
