

# Whoremageddon

Aborted

A scrupulous species - Bred to dominate  
Exhibitionist features - Corrupted - Deluded  
We are the whores of man  
Oh goddess of Faeces - From temptress to whore  
Materialistic demeanour - Raped, degraded  
Self loathing prevails

Whoremageddon - Whores of Babylon  
By filth approved and faith rejected  
Whoremageddon - A wretched demagogue  
Wrought into travesty

Oh goddess of Faeces - From temptress to whore  
Materialistic demeanour - Raped, degraded  
Self loathing prevails

Whoremageddon - Whores of Babylon  
By filth approved and faith rejected  
Whoremageddon - A wretched demagogue  
Wrought into travesty

Lies upon lies they carefully plant  
Modern day idols for a generation of shit  
A whoremageddon, new born messiah  
Talentless cunts setting a standard of crud  
Lies upon lies they purposely spread  
Modern day fools for a generation of shit  
A whoremageddon, new born messiah  
Miserable lives reserved for us all

And here we stand again - A culture of self loathing

Vultures descending from the skies  
Psycho predators, a deteriorating kind  
Today a role model. tomorrow a fad  
Miserable cunts, the ruling class

A scrupulous species - Bred to dominate  
Exhibitionist features - Corrupted - Deluded  
We are the whores of man  
Oh goddess of Faeces - From temptress to whore  
Materialistic demeanour - Raped, degraded  
Self loathing prevails

Lies upon lies they carefully plan  
Modern day idols for a generation of shit  
A whoremageddon, new born messiah  
Talentless cunts setting a standard of crud  
Lies upon lies they purposely spread  
Modern day fools for a generation of shit  
A whoremageddon, new born messiah  
Miserable lives reserved for us all

Whoremageddon - This is our final judgement  
Whores of Babylon - By filth approved and faith rejected  
Whoremageddon - A wretched demagogue  
Wrought into travesty
