Wrenched Carnal Ornaments

Regurgitating digestive tract Swallow my vomit flows red Nemesis of morals Ejaculate while slicing the dying whore

Paralyzed apoplectic unable to resist Torture begins under a sepulchral garment of mist Anal chainsaw penetration Intestinal hemorrhage

Wrenched lacklusted guts Dangling by a vein Wrenched lacklusted guts Triumph of gore

Dissecting the carcass intercranial torment I wrench your stinking guts Dressed in carnal ornaments Licking the matter Flowing from her abscess Nauseating fragrance of convulsive Body parts Eructations
