

Praise The Beast

Aborym

Praise the Beast
Destroy the deceit, In the name of the master
Choke down the false masses

PRAISE THE BEAST!

Accept your destiny, Achieve your revenge
Your life is the power, Your faith is him

PRAISE THE BEAST!

"In the name of Satan, the ruler of earth, the king of the world
I command that the forces of darkness,
To bestow their infernal power, upon me!"

Worship your spirit, Demolish the cross
Give the life... and light the fire

PRAISE THE BEAST!

The way you chose, Is built by yourself
By everything is done, By everything you will

PRAISE THE BEAST!

You are falling into the depth, The depth of your own hell
Nobody will pull you out, And you'll die devouring yourself

PRAISE THE BEAST!

Accept the gift, Accept the majesty
Of the power of darkness, And PRAISE THE BEAST!
