

Another Chance

Above & Beyond

All I ask for is another chance
All I ask for
All I ask for is another chance
All I ask for

I know the time will come
When I will learn to love again
I know the time will come
When I won't hold on to the past

I know the time will come
When I will learn to love again
I know the time will come
When I won't hold on to the past

When I won't hold on to the past

When I won't hold on to the past

Only the brave find hope in a second chance
Only the brave find hope

I know the time will come
When I will learn to love again
I know the time will come
When I won't hold on to the past

When I won't hold on to the past

I know the time will come
When I will learn to love again
I know the time will come
When I won't hold on to the past

I know the time will come
When I will learn to love again
I know the time will come
When I won't hold on to the past
